1987 DEDICATION

Dedicating the yearbook is an important aspect of each annual, and for this special occasion, we, the 1987 England Lion Annual Staff, have chosen a very unique person. We are extremely proud to dedicate this year's annual to Coach Jerry Wilson.

It is no wonder Coach Wilson decided to become an educator since several members of his family are in education. After graduating from the University of Central Arkansas in 1957, he took his first coaching job at Quitman and later moved to England. The Wilsons will be celebrating their seventeenth year in England. This year Coach Wilson is teaching contemporary American history and is coaching both the junior and senior girls basketball teams. Also he is presently working on a Master's degree.

In his spare time, Coach Wilson enjoys fishing at his favorite spot, Coleman Break. Being a sports enthusiast is another hobby. He also plays golf and sketches to pass the quieter hours. Last but not least, spending time with his family is of top priority. His family consists of his wife Joy, his son Jeff, and his daughter Susan, who has followed his footsteps and has become a teacher. We would like to thank Coach Jerry Wilson for his hard work and dedication to our school and community. We are honored to present him with this year's annual.

The Interpretation of Myth

The important thinkers Carl G. Jung and Claude Levi-Strauss have presented relevant theories of mythic thinking and have proposed useful methods for analyzing myths. For the purposes of this paper I will first present the theoretical foundation of each of these men, then I will use the example of the White Buffalo Woman myth in the book Black Elk Speaks to demonstrate how the theories apply to a specific myth, and finally I will compare the interpretations and theories of Jung versus Levi-Strauss.

ANNUAL STAFF

The year has now ended and many new things have happened. Hopefully the 1986-87 annual staff has captured these memories for you. We have worked very hard to meet deadlines and get this book to you. We hope through this book you will find "Reflections of '87."

Girls State and Boys State are programs that provide representatives with information and instructions in the process of local, county, and state

governments to increase their usefulness as future leaders. During the sessions of Girls and Boys State, the representatives lived in mythical cities and counties and participated in the activities therein- including meetings, elections, mock trials, and a visit to the State Capitol. E.H.S. is known for its active STUDENT LIFE. The key work in this section is student. The students at E.H.S. realize that extracurricular activities are an integral part of their school years. The students accept what is offered, make the best of it, and use it to their advantage not only for entertainment but also for learning and growing. Some Student Life activities that are presented in this section are Homecoming, Harvest Festival, Jr.-Sr. Prom, and the Jr.-Sr. Play. Students offer a lot of time, effort, thought, skill, and sometimes money to make these activities possible, fun, and worthwhile. Along with the students, teachers play an important role in Student Life. Without their assistance some activities would not be possible. Understanding the need to excell in areas besides the classroom, teachers offer experience, knowledge, and time so that the students at E.H.S. may grow as well rounded individuals. Throughout this section one will find friendship, school spirit, excitement, fun, and, of course, REFLECTIONS OF '87.

HOMECOMING 1986

Through the week of October 13, 1986, to October 17, 1986, one might have wondered what happened to the students at E.H.S. The logical answer was **HOMECOMING!** This week students got the chance to act and dress totally bizarre. Monday was Inside-Out/Backwards Day. Everyone looked as if he had just gotten out of bed and closed his eyes as he got dressed. Tuesday, 50's Day, was the one day your mother could dress you and you could still be in style! Wednesday was Nerd Day and everyone had a lot of fun. Thursday was Tacky Day, Friday came, Purple & Gold Day. Spirits were high as the homecoming pep rally was held in the gym. Everyone was certainly fired up and ready to beat Carlisle. The homecoming parade started at 3:30, and the entire town came out to cheer on the Lions. And then it was time for the coronation. Darla Johnson was crowned Queen as the other maids watched. Zachary Kelly and Dedra Houser were chosen from the Kindergarten to be on the court. Twelfth grade maids were Jodi Bailey and Amy Robinson. Eleventh grade maids were Michelle Burgess and Ashley Godsey. Tenth grade maids were Dianna Jumper and Dawn Murchison. Ninth grade maids were Angel Rollins and Janna Southerland. Eighth grade maids were Nikki Canada and Missy Roe. Seventh grade maids were Misty Duerson and Melody Flanakin. The perfect day was ended by the Lions beating the Bison by 31 to 0. To finally end the perfect day, the homecoming dance was held in the cafeteria after the game by Mark McCain of KKYK. Everybody had a great time and E.H.S.'s 1986 Homecoming had to be one of the best ever!

FBLA wants to barbecue the Bison.

Brooke Hudson and Tiffany Burgess have a float of their own.

The Homecoming Royalty rides the Queen's float proudly.

Amy Cloninger is our 1986-87 Band Queen.

The Art Club float seemed to have given the E.H.S. Lions some "deadly" power.

England 31, Carlisle 0. A homecoming victory well deserved!

Gimm five!

Gotcha!!

The "adult" side of EHS.

I'm telling!

Could someone please teach Jamie some manners?

Looks like Wendy and Wade got caught doing something they shouldn't!

This year Harvest Festival Queen was Cristi Compton, daughter of Mr. and Mrs. Don Compton. Cristi raised a total of \$507.00, Cristi's escort was Joey Dean, son of Mr. and Mrs. Jimmy Dean.

Leslie Robinson was this years Harvest Festival Princess. Leslie is the daughter of Mr. and Mrs. Steve Robinson. She raised a total of \$802.00. Leslie's escort was Ad Adams, son of Mr. and Mrs. Tommy Adams.

HARVEST FESTIVAL 1986-87

Harvest Festival, an annual event sponsored by the England Band Boosters, was November 1. As usual, each grade selected one nominee to represent that grade. The winner then sold tickets to the Harvest Festival. The young lady who sold the most tickets for the high school was Cristi Compton, who was crowned queen while Leslie Robinson, a first grader, was crowned princess, for she sold the largest amount of tickets for the elementary school. To make up the carnival, various clubs organized and ran different booths. Some games offered this year were the basketball shoot, the cake walk, and the marriage booth, plus many more fun-filled activities. The grand total raised during the Harvest Festival was \$6,410.49.

ARSENIC AND OLD LACE

JR. — SR. PLAY

The 1986 Jr./Sr. play was Arsenic and Old Lace. Mr. Tommie Webb casted, directed, and produced the play. The EHS Players worked long and hard to put on this production. All of this work paid off, for the play was a big success; Mr. Webb and the EHS Players should be proud.

Could it be a flea circus?

Abby's next victim.

What is Jason looking upward?

Teddy Roosevelt in the making.

Joey looks frightened about something.

Aunt Abby and Aunt Martha seem to be sweet.

BEHIND THE COVER

Head Honcho of the yearbook staff!

Working—or playing!

Looks like we can have some fun, too!

"Our deadline is when?"

"What do you want now?"

Our co-editor had to get some fresh air.

"I don't believe that for a second."

Is that for the annual, April?

Get back to the sports, girl.

Goofing off again!

You mean Jan and LeJan aren't in the darkroom!
